## *A Basketball Prayer*

*Dear Lord,  
As we face our opponents tonight,  
may we play our hearts out and give a  
100% effort out there on the court.  
May we also be good sportsmen to our opponents  
before, during, and after the game.*

*Finally, Lord,  
we ask that you watch over us during the game.  
Give us the stamina to endure the game,  
and empower us mentally  
to overcome every challenge we will face.  
In Jesus' name.  
Amen.*

### *The Basketball Players Prayer*

*Oh Lord, please let me hit a shot  
So well that even I,  
When telling of it afterwards,  
Will never need to lie.  
Make my passes straight and true,  
My lay-up swift and firm.  
And help me with a rebound that  
Makes the opposition squirm.  
Protect me from the technical,  
Assist me in the key,  
Endow me with a blazing speed  
For all the world to see.  
Above all Lord, this pleasure is  
A thing I'd like to share,  
So when you grant my wish,  
Be sure my friends are there.*
