Prayer for Women with Breast Cancer

Father, for the strength you have given me I thank you.
 For the health you have blessed me with, I thank you.
 For the women who are going through
 breast cancer and their families
 I ask you to strengthen and to heal as you see fit.
 Lord we know you want us to be
 in good health and to prosper.
 Lord use us to do the work you have for us to do.
 For we know time is getting short on this earth.
 Lord be with every woman who is sick
 and encourage them as only you can.
 I know how faithful you are.
 You have shown yourself to be everything
 you say you are in your Holy Word.
 I praise you for you made this body
 and you can heal this body.
 In Jesus Name I pray.

Amen.

Prayer for those suffering from Breast Cancer

Lord please watch over me as I travel through this challenge with breast cancer.

Although, this is a difficult time I know that your healing arms are near and I am in your guiding care.

Grant me the peace of knowing that my belief in you will help me to be strong and face each day with new strength and encouragement.

Dear Lord, watch over and bless my friends and family. They share my fears and concerns.

I pray that they will trust in you as I do each day.

Help to bring us closer together and bring us closer to you Lord.

Amen.
