

Prayers to Our Saints™

Saint Pauline - Patron Saint of Diabetics and Diabetes sufferers

Prayer to Saint Paulina

*St. Paulina, you have suffered much in your life blind with Diabetes.
In heaven, you can see clearly now.
The love of God and the sick, enabled you to endure tragedy;
your example will forever be our vision.*

*St. Paulina, ask God to give me the strength to sustain this illness,
and to allow my body to produce energy needed to function.*

*I ask your loving intercession
to control my blood sugar and other risk factors,
so my body will live and I may live to help others.*

*St. Paulina, intercede to Our Savior
to help the newly diagnosed Diabetics throughout the world
so they may have medical and Divine intervention.*

*Healing Heart of Jesus cleanse us from all sin
to be Reborn in Faith, Hope and External Love.*

Prayer to Saint Pauline

*O Saint Pauline, ever trusting in God and Jesus,
and ever faithful in responding to
Our Lady's call to help the suffering of the world,
we ask your loving care over the Church
that you love so dearly;
we entrust to your loving care our lives,
our families and all of God's people.
Saint Pauline, intercede for us before the throne of God
so that we will always have the courage
to bring about a more humane, just and brotherly world.
Amen.*
